Gender Equity in Medicine (GEM)

Physician Leads: ***Drs. Cara Wall and Sarah Brears***

Goals

- Follow up on the work done in the initiative 'Women in Medicine' and support and mentor colleagues regarding equity issues that are encountered.
- Participate on relevant committees and provide an opportunity to support disenfranchised colleagues.

Outcomes

- Improved physician engagement, enhanced workplace, improved communication.
- Provide a voice and sense of community.

Budget approved: *$19,080*
