

Building Physician Research Capacity

Physician Lead: *Dr. Devin Harris*

Goal

The aim of this FE Activity is to bring physicians, interested in research, together to collaboratively work through their Health Canada certifications. This activity supports the strategic direction for KGH.

Budget: \$15,750

Objectives

- The objectives for this FE Activity are to:
- Bring research minded physicians at KGH together
- Facilitate and support these physicians through their Health Canada certifications
- Advance research and further support the hospital vision as a research teaching centre.
