

# New Continuing Medical Education Program launched for KGH

## Physician Lead: *Dr. Glynn Jones*

The objectives of this FE Activity are:

- To provide three or four ½ day Educational Sessions annually.
- Review website management for CME events, provide online and on-site topics and provide an avenue where possible for participation for both urban and rural physicians.

## Outcomes

- Relevant and sustainable continuing medical education.

**Initial Budget approved:**

**\$19,904**
