

# Obstructive Sleep Apnea Management Redesign

**Physician Lead: *Dr. Mark Masterson***

## Goals

The objectives of this FE Activity are:

- To allow the Department of Anaesthesia, Division of Respiratory Medicine and Department of Surgery to collaborate with KGH and Health Authority administration to update screening guidelines and monitoring protocols.

## Outcomes

- Continue to provide quality care, while improving patient experience and improve stewardship of health care resources.

**Budget approved: \$4,691**
