

# Pulmonary Function QI Review

---

**Physician Lead: *Dr. G. Dominelli***

## **Goals**

- Engage the Department of Respiriology staff to work with representatives from the PFT Department to develop a QI framework for periodic (q6 mos.) reviews of all PFT Services

**Budget approved: \$2,175**

## **Outcomes**

- An applied framework that can be used to assess the quality of all PFT services on a periodic basis
- Ability to measure strengths of the PFT service and areas for improvement
