

Supporting the Role of the Family Physician at KGH - Phase I Planning

Physician Lead: *Dr. Jan McIntosh*

Goal

- To engage a representative group of physicians and administrators from KGH to explore what options can be considered to further support the continued role of the Family Physician in the delivery of quality care at KGH

Budget approved: \$4,000

Outcomes

- Organize a retreat to engage Physicians in a discussion on what are the root causes for Family Physicians relinquishing their active privileges at KGH
- Identify potential solutions to address the factors contributing to Family Practitioners relinquishing their hospital privileges
- Develop a plan to address the identified root causes
- Develop a business case outlining the needs emerging from the discussion
