

# Physician Leadership Development – Journal Club

---

**Physician Lead:** *Dr. Michael Humer*

## Goals

- Continue the work of supporting physician leadership.
- To engage interested physicians to read selected books and meet with colleagues to share their opinions, thoughts and views on various subjects.

## Outcomes

- To build relationships and foster collegiality among peers.
- Discussions could influence the Society's strategic priorities of improving quality care and enhancing the physician work environment.

**Budget approved: \$4,556**
