Development of a Central Okanagan Physician Health & Wellness Strategy

Physician Lead: Dr. Alan Stewart

Goals

- In conjunction with the CO Division of Family Practice, develop a Health and Wellness Strategic Plan for physicians practicing in Kelowna by undertaking:
 - A needs assessment utilizing physician survey, focus groups and stakeholder interviews;
 - An environmental scan with literature review and identification of similar work being done regionally, provincially and nationally.

Outcomes

 To draft an initial plan with specific objectives and goals for feedback and approval by the COKDFP and KGH Physicians Society.

Budget approved: \$32,323
