

# Developing a Department of Anesthesia Policy on Night-Calls for Pregnant Anesthesiologists

**Physician Lead:** *Dr. Angineh Gharapetian*

## Goals

- Determine if such policies exist within other Anesthesiology Departments in BC hospitals.
- Hold stakeholder interviews and focus groups.
- Create a draft proposal describing when a pregnant anesthesiologist can request to no longer be scheduled on any shift that could potentially require clinic work between the hours of 2300 to 0800.

## Outcomes

- To promote physician engagement by increasing collaboration among staff to generate a policy that will contribute to the improved working conditions for physicians.
