

Patient's Role in the Provision of Cardiac Care

Physician Lead: *Dr. Frank Halperin*

Goals

- Develop a strategy to create practical and sustainable mechanisms to allow patients and their families to provide relevant and timely feedback on care.
- Develop tools to provide this feedback.
- Develop system to assess feedback.
- Meet with Patient Voices Network to help identify and train patient reps.

Outcomes

- Improve care and engage all members of the health care team, including patients and their families.

Budget approved: \$9,400
