

# Department of Obstetrics & Gynecology Strategic Planning Project

Physician Lead: *Dr. Karen Meathrel*

## Goals

- Identify and prioritize goals of vital importance for the Department utilizing a three-phase approach:
  - Phase 1: Preliminary Assessment/Consultation
  - Phase 2: Initiate a shared vision/plan
  - Phase 3: Formalize a shared vision/plan, including an action plan

## Outcomes

- To develop a consensus and a consolidated voice that will help to guide and collaborate with KGH administration and other physician and healthcare provider leadership.
- Will build capacity for the ongoing provision and advancement of local maternal care.
