

Improving Sustainability in the Operating Room

Physician Lead: *Dr. Sarah Sunderland*

Goals

- To create an OR Sustainability Committee with the goals of:
 - Limiting unnecessary waste
 - Reducing the use of greenhouse gases
 - Minimizing pollution and reducing redundant use of resources.

Outcomes

- Limiting waste and improving use of resources.
- Limit the carbon footprint of the workplace, i.e., the Operating Room, for the betterment of patients, physicians and our children.

Budget approved: \$14,873
