

Department of Pediatrics Strategic Planning

Physician Lead: *Dr. Kate Runkle*

Goals

- To develop and implement a shared vision, goals and a plan that also recognizes hospital and health authority priorities and constraints.
- To benefit the hospital and IHA region to promote pediatrician recruitment, retention and departmental morale in a time of region-wide pediatrician shortage.

Outcomes

- To shape a sustainable plan for ongoing pediatric and neonatal programs that meet the changing population needs of the IH region.
- To benefit the Pediatrics Department to help plan for ongoing population growth and expected acuity in the hospital.

Budget approved: \$16,428
