

# 1,000 Years of Caring – Physician Recognition

## Physician Lead:

*Drs. Jeremy Harris and Cara Wall*

## Goals

- To create, with the assistance of retired physician, Dr. Robert Conchie, a grouping of prints of retired physicians to remember the individuals who were part of the history and legacy of KGH.

## Outcomes

- Recognizing milestones such as retirement demonstrates appreciation for physicians' contributions to the lives of their patients and to the community.
