

KGH Health Innovation Centre – Planning Support

Physician Lead: *Dr. Frank Halperin*

Goals

- Staff wellness has been identified as a priority issue by the MSA and staff at KGH.
- Discuss and prepare a business plan and briefing note that will be presented to senior leadership for decision.

Outcomes

- The process of sharing the vision, creating this plan, engaging IH and UBCO partners will enable dialogue at the highest level on this issue is important to the MSA and may well have unforeseen benefits even if the primary goal of creation of the innovation centre does not occur.

Budget approved: \$50,000
