

# Ulcerative Colitis Flare Pathway

Physician Lead: *Dr. Sunny Singh*

## Goals

- To create a formalized pathway for IBD nurses, GI's and GP's to follow on managing a flaring patient at home
- To create a hand-held booklet for UC patients on how to self-manage their flares in a safe way and when to seek help.

## Outcomes

- This pathway will help provide high quality evidence-based pathways for practising physicians to utilize, help to reduce costs to the hospital system and advance education for IBD Nursing staff

**Budget approved: \$9,979**
