

# COVID-19 Phase II: General Planning

Physician Lead: *Dr. Jeremy Harris*

## Goals

- Assist physicians as they spend time meeting and collaborating with HA and KGH Admin, as well as other departments to discuss and strategize for patient care, specifically relating to the spread and management of COVID-19.

## Outcomes

- Provide physicians with an avenue in which to receive compensation as they review processes, procedures and coordinate different delivery models for patient care.

**Budget approved: \$10,000**
