

Kelowna MHSU Intake Redesign

Physician Lead: *Dr. Jeffrey Douziech*

Goals

- Review opportunities to improve pathways of care and to create efficiencies in the collaboration between KGH and the Kelowna MHSU.
- Support earlier discharges, avoid admissions where appropriate, increase access to Psychiatry, link in with the developing SCSP work.

Outcomes

- Potentially shorten ELOS, decrease ALC times, improve the effective utilization of MHSU staff while creating clear access to patient centered services.

Budget approved: \$5,376
