

# Sabbatical Redesign Project

---

**Physician Lead:** *Dr. James Reid*

## Goals

- Determine the overall strengths and weaknesses of Phase 1 of the KGH Emergency Physician sabbatical program.
- Collect feedback from physician members.
- Review and revise existing program.
- Deliver a robust and modernized strategy for rolling out Phase 2.

## Outcomes

- Collaborative physician engagement.
- Continuous improvement in processes.
- Optimizing fairness and flexibility in how sabbatical months can be traded.

**Budget approved: \$6,994**
