

# Total Knee Arthroplasty Program at KGH

---

**Physician Lead:** *Dr. Steven Sylvester*

## Goals

- Create a same-day TKA program at KGH
- Liaise with relevant services and allied health care professionals
- Development of patient information and education literature.
- Relevant pre-operative, operative and post-operative protocols.

## Outcomes

- Improved patient-centered outcomes.
- Foster collaboration between allied health and physicians as well as between departments.
- Achieve a common goal.

**Budget approved: \$21,000**
