

Canadian Women Physicians Day at KGH 2024

Physician Lead: *Dr. Emily Stewart*

Goals

- Creation of a small working group of interested physicians to explore how to undertake project by ideally leveraging existing resources and connections.
- Observe the Canadian Women Physicians Day to help build morale, and create a more inclusive work environment.

Outcomes

- Recognize and celebrate the diversity of staff physicians.
- Commemorate the women physicians at KGH

Budget approved: \$4,056.96
