

Emergency Department Orientation Manual Update

Physician Lead: *Dr. Lauren Arthurs*

Goals

- Assess the current Emergency Department electronic orientation manual, and update areas that are no longer reflective of the current practice at KGH.

Outcomes

- Support new ED physicians by providing current information on the available resources at KGH to optimize patient care; and delivering the necessary information optimize their functioning and efficiency in the department during on-boarding stage.

Budget approved: \$1,200
