

# Improving Patients Care with Pelvic Floor Dysfunction

**Physician Leads:** *Dr. Jennifer Locke*

## Goal

- Create a Working group of experts (urologist, gynecologist, physiotherapists, continence nurse) with the aim to build a resource for patients in Interior Health with pelvic floor dysfunction.
- Creation of a website which includes patient information on pelvic floor dysfunction conditions.

## Outcomes

- Improve the care of patients with pelvic floor dysfunction in Interior Health.

**Budget approved: \$5,131.50**

**January 2024**
