

KELOWNA GENERAL HOSPITAL MEDICAL STAFF ASSOCIATION

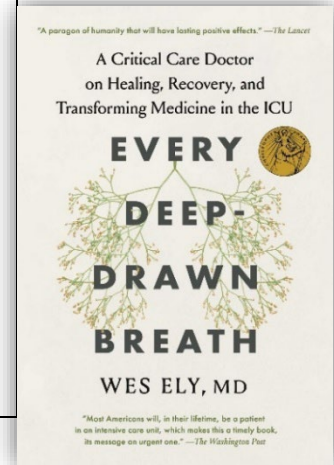

is pleased to present CME/CPD Grand Rounds*

DELIRIUM in Acute Care: A Critical Illness

Dr. Ely is the author of *Every Deep-Drawn Breath*, from which he's donating 100% net proceeds to help COVID survivors and family members rebuild their lives.

The IH Stroke Network is sponsoring this session and has a limited number of copies of this book to distribute to interested clinicians.

Dr. Wesley Ely, MD, MPH, is an internist, pulmonologist, and critical care physician. He serves as the Grant W. Liddle endowed chair in medicine and is a physician-scientist and tenured Professor at Vanderbilt University Medical Center. He is also the Associate Director of aging research for the Tennessee Valley Veteran's Affairs Geriatric Research Education Clinical Center (GRECC) in Nashville TN. He is the founder and co-director of the Critical Illness, Brain Dysfunction, and Survivorship (CIBS) Center, and a pioneer in the investigation of delirium and long-term cognitive outcomes, including dementia, in survivors of critical illness.
