

KGH Wellness Committee Review of Medical Staff Rules

Physician Lead: *Dr. Deema Jassi*

Goal

- Review and make suggestions on the Medical Staff Rules as they specifically pertain to physician wellness, psychological safety, physical safety and bullying, harassment, uncivil behavior and discrimination.

Outcomes

Determine and implement rules that prioritize physician engagement, decrease burnout and moral injury and prioritize the psychological health of medical staff for years to come.

Budget approved: \$5,341.86
