

# SPARK: Specialized Paediatric Acute Resuscitation Kelowna

**Physician Lead:** *Dr. Neil Long*

## Goal

- To improve paediatric care at KGH Emergency Department
- Plan to reclaim C1, fit for paediatric care, organize new shift lines and bring back paediatric trained emergency doctors from the community to KGH
- Plan training of RTs, pharmacy, nursing and physicians who are interested in expanding their scope

## Outcome

- Improve Patient Care
- Improve Physicians' Work Environment
- Improve KGH Emergency Department's Paediatric Care
